**Howdy:**

We would like to thank you for your interest in our catering company. We are a family owned business and have been in the food service business for over 25 years. We offer home cooked meals with hand cut meats. Our goal is to provide top quality food and service to our customers. We are able to accommodate both large and small caterings. You can visit our web site or follow us on Facebook where you can view our picture gallery as well as menu list and previous customer comments.

We are a buffet style cater and our prices include delivery (under 25 miles), disposable cutlery and condiments. There will be a delivery fee for any catering events over 25 miles from our facility depending on location of event; price will range from \$50 to \$100 per vehicle. Tables will need to be provided by venue or you for the buffet serving lines. Depending on the number of guest and the serving lines, we require 2 to 5 6ft or 8 ft. tables for the food to be served from as well as a separate area with adequate tables for the drinks. Chaffer warming dishes are available upon request at an additional charge of \$20.00 per chaffer. We also can provide upscale disposable dinnerware, cutlery and cups at an additional charge of \$2.95 per person. However we do not provide table coverings or linens for the food serving tables, this will be your or the venue responsibility. We also can provide appetizers for your cocktail hour after the wedding, contact us for pricing. We have a large number of references from other weddings and corporate events that we have done that we would be glad to give you upon request. A minimum deposit of \$500 as well as all signed contracts and documents is required to book your event with us. Remaining balance is to be paid in full 7 days prior to your event.

accommodate you as long as your venue allows for additional \$75.00. We allow 1 hour serve time for rehearsal Dinners and 2 hours for the Wedding Reception Dinner. If our staff is requires staying past these allotted serve times, due to delays of the ceremonies, additional charges will begin to incur at the rate of \$25.00 per hour per person on staff. This will be due upon complication of our services. Our staff **will not** serve the Bride and Groom or head table, this is a buffet style of service and the wedding party can serve themselves or have other people appointed to provide individual serve to the head table.

**Cancelations must be done so within 60 days to receive any refunds**

We are only responsible for cleaning the area that we have used for the preparation of the buffet lines, any other services requested will incur an additional charge and will need to discuss before the date of the event.

If our staff has to wait more than 20mins past that agreed serve time there will be additional charges that will be incurred that will be paid in full the day of the event.
